GUIDED LEARNING PROGRAM

Great programs for beginners of ALL AGES and those keen to learn a new skill. Custom video content to learn at your own pace, plus support materials, sheet music and online Q&A with the Ranges Music team. Options with or without online face-to-face mentoring time. From \$15 incl. / week

A program that is custom tailored to your learning and musical goals. Partner with a member of the Ranges Music team for support, guidance and inspiration along the way. Different options to suit your needs, objectives and budget. From \$36 to \$44 incl/ week

INDIVIDUALIZED PROGRAM

An exciting way to be a part of a 'virtual' band or choir for ALL AGES, levels and abilities! Each week you'll gain access to new modules that include skill and technique builders and videos to walk you through new tunes. Work at your own pace and upload a recording of your performance to combine with others! Only \$12 incl. / week!

BANDS & VOCAL GROUPS

All of our programs are easily accessible through THE FEED - our portal for all activities through the Ranges Music Network. Find your subscribed programs, free members-only content, inspiration and more from the RMN team! You can't stop the music and we'll keep rockin' on online together!
